Welcome to Commercial Craft Furniture!

Founded in 1982 and headquartered in the heart of North Carolina's Crystal Coast, Coastal Carolina Supply has long been a leader in supply and distribution; from our early days in restaurant and janitorial supply to becoming one of the mid-Atlantic's largest suppliers of liquid chlorine and chemical automation, our company has always been at the forefront of service and supply.

In 1996 we began designing, manufacturing, and delivering our own line of commercial-grade aluminum pool and patio furniture. Today, we use the latest in fabricating and powder-coating techniques to produce high-quality, attractive, and affordable pool and patio furniture. We package and deliver it on our own fleet of trucks, ensuring proper handling and the fastest delivery times in the industry.

We are proud to provide our furniture and refinishing services to clients across the United States, including some of the largest theme and water parks in the country. In the pages of this catalog are products born of nearly forty years of following a simple guiding principle: provide excellent products, exceptional value, and unrivaled service.

Welcome to Commercial Craft Furniture!

Coastal Carolina Supply and Commercial Craft Furniture form a unique synergy of manufacturing and supply chain expertise.

Warranty

Frame: Ten-year limited warranty from date of original purchase on vinyl frames, five-year limited warranty on sling frames. If your frame fails structurally during normal use with regular maintenance, we will repair or replace the frame, at our option, at no charge. If the product has been discontinued, we will substitute a similar item. Warranty includes parts and labor.

Finish: Three-year limited warranty from date of original purchase. If finish peels, cracks, or blisters due to a manufacturing defect, we will repair, refinish, or replace the item. Includes parts and labor.

Vinyl Straps: Two-year warranty against breakage. Does not cover color change.

Table Tops: One-year warranty on acrylic and fiberglass tops against bowing or warping. Excludes water damage. Warranty does not apply to acrylic tops with umbrella cut-outs.

*Warranty does not cover abuse or misuse of our products .

REFINISHING

At Commercial Craft, we can refinish your existing pool or patio furniture! We remove old straps, sand-blast your frames, and powder-coat them any color you choose (See page 5)! We are one of the largest refinishers of aluminum furniture on the East Coast! What are the benefits of refinishing?

- ⇒ Change and update your color schemes without buying new furniture!
- ⇒ Refinished furniture looks like new and costs much less, maximizing your investment!
- ⇒ Create a uniform look across your pool deck. No more mix and match furniture!
- ⇒ Dramatically improve the satisfaction and experience of pool patrons!
- ⇒ Your furniture is returned to you shrink-wrapped and ready to go, making Spring start-up easier!
- ⇒ All furniture is transported on our trucks to ensure proper handling!
